Spice-o-mania is real!
We are kidding,
but our love for spices is infact real.
We drew inspiration from three continents and
married our passion for food and
service to evolve the FH24 concept!

Star of the show – Piri Piri chillies!
Originating from Africa,
the Portuguese took these magical flavour-pots
from the bird's eye family all across the globe
including India.

Blending these chillies with a host
of spices and herbs is at the heart
of the FH24 concept.

Fresh (never frozen) meat is cooked in
a signature 2-step signature process
after 24-hours of marination.

The flame-grill renders a beautiful tone
after dashing a sauce of your choice –
mild, herby lemon, hot or crazy hot!

Relish our side-kicks
including the unique "Rys" and
home-made breads.

We hope you love our food and our concept as
much as we do. Our promise to you
is that we will continue to deliver
outstanding food and we'll continue to
refine and improve on our concept
because, as customers, you deserve only
the very BEST!
